

## Smarty Ants at Home Printable Awards

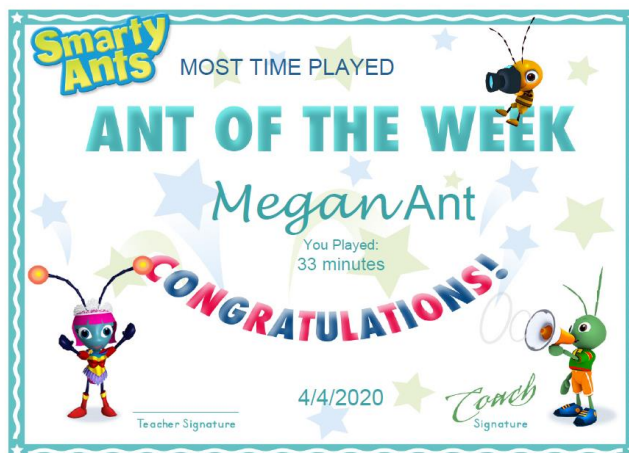

### Let's Celebrate!

It's important to celebrate the successes your child experiences while learning at home. We've pulled together this collection of awards that you can use to keep your child excited and engaged about learning. To make the most of these resources, we suggest the following:

- 1 As your child reaches a milestone, such as Most Words Build in a Week, identify a relevant award in the packet.
- 2 Print the page of the packet by clicking the Print icon  or select **File > Print**. Depending on your PDF viewing application, typically you will select **Pages to Print**, then select either **Current Page** or **Pages** and type in the page number or range of pages.

- 3 Personalize the award certificate by adding your child's name before the word Ant (i.e. Meghan Ant or Emilio Ant). Have a celebration!
